**Moving Forward in Faith and Hope Capital Campaign for the Diocese**

*How is this campaign different from the Annual Diocesan Appeal?*

The ADA was established to help meet the annual operating needs faced by the Diocese. "Moving Forward in Faith and Hope" has been designed to enhance existing funding sources and provide a source of earnings from which very specific, current, and future challenges can be addressed. Current and future needs are being addressed by this campaign. These funds are restricted to use in the following areas:

- Supporting our clergy and seminarians
- Reaching out to our people
- Assisting our parishes
