## CATHOLIC DAUGHTERS OF AMERICA

One of the main fund raisers for the Catholic Daughters is the Life Saver campaign. This money is used for domestic violence intervention.

The Catholic Daughters held a card party in October where many enjoyed an afternoon of cards, conversation and door prizes.

They also assisted with the Knights of Columbus' dinner for the priests of our diocese following the Mass of Thanksgiving (see last page). They decorated the parish hall, baked pies and then served the meal dressed smartly in black and white. Our priests were very appreciative.

Any Catholic woman age 18 or over is welcome to be a Catholic Daughter. Membership dues are \$20 per year. The meetings are at St. Wenceslaus on the second Tuesday of each month, but the group does not meet in January or February. Most meetings are pot luck. All members serve on a committee at some time during the year. Regent (CDA leader) is Jane Wonick. Jane can be contacted at 351-5324 or 331-6688.

## CHRISTIAN EXPERIENCE WEEKENDS 2010

Is it too early to be thinking of the CEW Weekends for 2010? Perhaps not! It's very difficult to find room in our busy schedules for a weekend away from family and responsibilities. Give the Holy Spirit a chance to touch you and help you find the courage or just find the time! to attend a Christian Experience Weekend! All who have attended will tell you it's worth the sacrifice of a weekend, to spend that time in the company of others on the same faith journey. You'll be renewed! and rewarded! with an experience of community, yet uniquely your own. Please plan to join us at St. Mary's in Riverside, for the women's weekend February 19-21, or for the men's weekend March 5-7. Watch St. Mary's web site ([www.icstmary.ORG](http://www.icstmary.ORG) → Schedules/Events → Current Events Calendar) for registration information as we get closer to these weekend dates.
