

**PARISH STEWARDSHIP
UPDATE**

Stewardship unites relationships with actions. Three questions can serve as directive guides to link intentions with expressions as we journey through life. *Who is Jesus of Nazareth for you? Is your faith translated into actions? What do you want to be remembered for?* These questions can inspire us to dedicate and renew our efforts to become true disciples of Christ and good stewards in daily living. Each new day offers us new opportunities to demonstrate our values through words, attitude and actions. This month we can especially focus on expressing gratitude for the gifts God gives, for the relationships we develop, and for the offerings of time, talent and treasure that are shared.
