What's **Popple**

Most anybody can swim, bike and run. But Kyle and Dan are world-class triathletes – kazoo, ukulele and comedy! They do have a sporty side they'll tell you about, but what you'll love is their funny songs and how they help us connect more strongly with God's love. If you want to see more about Popple, go to www.davenportyouth.org. We have lots of video clips!

What's a Gold-Medal Catholic?

There once was a time when only amateur athletes could compete in the Olympics. "Amateur" basically means they don't get paid to play, but at the root, an amateur is a person who plays "for the love of it."

The best athletes are still those who do it for the love of it and try their best. Isn't that a great way to pursue our faith? Then let's go for it March 29...see ya' there!
